Hello Poppy,

I write to provide two weeks notice for my daughter Layla Alice Haski. As per our conversation her last day would be 2 weeks from yesterday, Friday the 30th of March. She will attend Aero Kids until this time.

I would like to sincerely thank you and all of your staff for the care that you have shown my daughter and the women of the Seals room especially. You all went to great lengths to help her feel safe, comfortable and indeed loved. I could not ask for better care. And then there was the care for me!

What incredible support you offered me as I struggled through the separation anxiety simultaneously. I will recommend Aero Kids to everyone. I wish to thank you all tremendously and it is with extreme gratitude that I write this. Thank you for all your support during this important stage in her development. She is much better for all your work and care.

Kind regards,

Helen Parish
